Subject: Books to donate and FIRE Speaker

Al

I was not sure, but are you still amenable to my donating the new books to the upper school library I referenced when last we met? I have a box about 1 foot by 2 feet full of new books. If so, let me know where to deliver them and I will bring them.

Also, I have received a response from FIRE re: a speaker (Samantha Harris). Not sure of the details, but is that also something you have interest in this year?

I'll wait to hear from you.

Many thanks

Subject: Book donations

Mrs. Wray

My name is . I'm a parent of 2 LH children (. I'm reaching out to you, as instructed by Mrs. Math (per Adm Harms).

I have a collection of brand new books I'm donating to the upper school library and needed to coordinate with you on getting them delivered where you need them.

Almost all of them are upper school level titles, mainly in economics, economic history and history. However, I do have a small set of titles for lower school as well.

Let me know how best to get these to you, and feel free to call me at . anytime as well.

I will be out of town the rest of this week, but can swing by next week.

Tks

Subject: Donated Books & Library Search?

Mrs. Wray

Good morning. U may not remember me, but I am the parent who donated a box full of books this last January.

I had 2 questions I was hoping you could answer for me:

-Did the books actually make it onto the Library selves (I had mostly upper school books but also some books for lower school).?

-Since donating those books, I can no longer search the LH school libraries for book titles, not even within the parent portal. Why did that change? Or am I missing something-how can a parent look at titles on the LH library selves now?

Many thanks

Hi

Thanks for your email and call about the books. I'm happy to answer your questions.

Did the books actually make it onto the Library selves (I had mostly upper school books but also some books for lower school).?

I sent the box marked "lower school" to the lower school library so that the lower school librarian could take a look at them. Regarding the upper school books, I added some to our collection and the others were taken by our economics teachers for their classrooms.

-Since donating those books, I can no longer search the LH school libraries for book titles, not even within the parent portal. Why did that change? Or am I missing something-how can a parent look at titles on the LH library selves now?

I talked to our website specialist; she said the following steps provide access to the library through the parent portal

- Click on Resources
- Click on Academics
- Click on Library (you will have access to the lower school library because your children are part of that division)

Best,

Cindy Wray, MLIS

Cindy

Tks

So I can actually search titles (as b4) in the lower school library?

So I can no longer search any library at LH, just the library for lower school?

I assume that change made shortly after my donation, yes?

Tks again
